TPK-Sportgruppe

The aim of the training is to improve physical and mental well-being, as well as the ability to better withstand stress in everyday life and sport. The content of the classic back

school, strength training and yoga exercises will be used. The training takes place all year round on Thursdays from 18:00 to 20:00 in the Lidellschule gym. In good weather conditions, the SSC Sportpark facility will be used. Whether experienced or a complete beginner – the training program is suitable for everyone. Instruction is provided by personal trainer Lars Moysich.

Registration is requested. Please contact tpk@techpark.de.

TPK welcomes a new tenant: Hitex GmbH

Hitex GmbH, an independent subsidiary of Infineon Technologies AG, is a leading provider of embedded software solutions with a focus on functional safety, embedded security and microcontroller technology. The company headquarter in Karlsruhe acts as a central hub where development, production, sales, marketing and administration come together. The diverse team works together to create a safe embedded world with its high-quality and customized software solutions in the automotive, medical technology, communications, aviation, railroad and security technology sectors.

FALK presents: TAX TEA TIME – Taxes & Corporation

In a pleasant atmosphere, FALK GmbH & Co. KG offers you a practical insight into current tax and corporate topics as well as concrete assistance in meeting the requirements on June 5, 2024 from 16:30 to 19:00 at Albert-Nestler-Str. 15, 76131 Karlsruhe, conference room New York (3rd floor). The following topics will be discussed:

- the importance of generation management for the asset structuring and protection,
- the upcoming tax changes as part of the Growth Opportunities Act and the Annual Tax Act 2024 and their impact on your tax affairs,
- the latest developments in the area of VAT, in particular e-invoicing.
