The TPK bee project

In July of this year, the bee year in the TPK came to an end. Our TPK bees diligently collected nectar and produced the first honey made in the TPK. We summarize.

The TPK bee project

Since April, there have been three bee colonies on the grounds of the Technologiepark, which have been looked after continuously by the Bienenzüchterverein Karlsruhe e.V. (BZV-KA), who also took care of the animals. Thanks to the participation of the Projektträger Karlsruhe (KIT) and the Technologiepark Karlsruhe GmbH, the TPK bee project has been realized. The bee year finally came to an end in July and the honey diligently produced by our TPK bees could be harvested for the first time. After centrifuging, about 40 kg of honey was obtained, which is divided among those involved in the TPK bee project.

We are happy about the great result and hope for a possible continuation next year.

10th Foosball Championship

The TPK foosball championship will take place this year on Tuesday, October 24, 2023. As every year, the foosball championship will be held in the casino of the Technologiepark Karlsruhe GmbH and will be hosted by andrena objects ag. In the championship, various teams from the companies located in the TPK compete against each other at foosball.

How to register, further information and details, you will find out soon. We'll keep you updated.

Save-the-date: Art exhibition at the TPK

From November 17th to December 31st, 2023 in our building at Emmy-Noether-Str. 9 the art exhibition of the Karlsruhe artist, Reinhold Braun, can be seen.

Braun's own and typical shapes find their place on every format - the circle, the grid, the square or the ellipse. Most of his works are abstract-figurative. The artist is less interested in the motif than in colour, light, form and the image itself. His work has been shown in numerous national and international exhibitions.

Your contact for technical issues in the TPK

If you have any questions or concerns about technical matters, our Mr. Kürner is available to you during office hours between 8:30 a.m. and 5:00 p.m. You can reach him as usual via the service telephone number: 0171 22 10 746. Outside of these times you can of course also send him an e-mail at kuerner@techpark.de.

Haben auch Sie interessante Berichte und Neuigkeiten über Ihr Unternehmen im Technologiepark Karlsruhe? Dann senden Sie uns diese bitte per E-Mail auf Deutsch und Englisch zu. Wenn Sie den Newsletter abonnieren oder zukünftig nicht mehr erhalten möchten, teilen Sie uns dies gerne über tpk@techpark.de mit.
