Welcome to the TPK, workA!

On the 1st of July 2022, we will welcome our new partner and operator of our TPK casino in the Technology Park.

At [workA gGmbH](#), people with and without disabilities work together in a high-performance company - this inclusive approach has been pursued by workA since its foundation in 2000. With its 250 employees, it is considered one of the most successful inclusive companies today.

With its variety of workplaces, workA offers its employees numerous opportunities for professional activity. To this end, workA works closely with companies and the municipalities in the region as well as with the Integration Office of the Baden-Württemberg Association for Youth and Social Affairs (KVJS), the Employment Agency and the Integration Service.

As a non-profit organisation, workA gGmbH is part of [Lebenshilfe Karlsruhe, Ettlingen und Umgebung e.V.](#)

From menu planning and preparation to the smooth serving of meals, workA manages the cafeteria operations at various schools in the region and runs several canteens at public authorities and companies in the city and district of Karlsruhe - and soon our TPK Casino.

We are looking forward to new culinary insights and a successful cooperation!

BREMER Karlsruhe GmbH celebrates its first birthday

The new [Bremer Karlsruhe GmbH](#) location was opened on the 1st of June, 2021. The new branch is an expansion for the region in the south-western area.

With our current headquarters in the Technology Park, we have chosen an attractive location.

The 1st anniversary of the new office in Karlsruhe falls in a special year for Bremer AG. Because in 2022, the company with its 1,200 employees will also be able to celebrate its 75th anniversary.

Thanks to the experience and expertise gained and

deepened during this time, today we are one of the leading companies in turnkey construction with prefabricated reinforced concrete elements.

Bremer Karlsruhe GmbH is building on this success of the company. Our young and determined team is already successfully completing its first construction project and preparing others.

Our goal is to continue to grow and experience success together with [new teammates](#).

Competence and innovation

- ✓ building application approved
- ✓ building fence erected
- ✓ construction site set up
- ✓ earthworks completed
- ✓ foundations and floor slabs concreted
- ✓ walls and columns in the basement and ceiling above basement concreted

This is the current status of our new competent and innovative multifunctional building, which is being built at the end of Albert-Nestler-Straße. Further information can also be found on our website
