Resumption of Corona testing at the Technology Park

Due to the high number of Corona infections and the declaration of an alert level in Baden-Württemberg, we have decided to resume offering Corona tests once a week on Tuesdays in our TPK Casino from Tuesday, the 7th of December 2021 until further notice. We are very pleased that the Minerva Pharmacy in Rintheim will again support us in this and will carry out the rapid antigen tests in our TPK Casino.

Competence and innovation

- ✓ building application approved
- ✓ building fence erected
- ✓ construction site set up
- ✓ earthworks started

This is the current status of our new competent and innovative multifunctional building, which is being built at the end of Albert-Nestler-Straße.

Some key data:

- plain, elegant architecture
- total area: approx. 11,500 m²
- multifunctional use (laboratory, office, etc.)
- highly flexible and environmentally friendly
- floors: 5
- loggia/terrace/roof terrace
- insertion windows for furniture/appliances
- cooling of the rental areas
- in-house transformer station
- photovoltaic system
- parking spaces for cars and bicycles
- completion: end of 2023

We will report in more detail on our new building project in our SCOPE, which will be published at the beginning of 2022. Further information can also be found on our website:
